You should fill in the information above the single line and the interrupted line (1) Please fill in the Company Name in Latin Characters as is officially registered in the tax authorities.

(2) Please fill in the Title of the company in Latin.

(3) Please fill in the Legal Form of the company by marking with an X the equivalent box. In case the legal entity form is not included, you may write on the single line.

(4) Please fill in the telephone number of the person responsible for matters dealing with the Chamber or include the respective extension number of his/her office.

(5) Please fill in as registered Capital, the registered capital in Euros of the company the moment it was established.

(6) Please fill in the current number of employees.

(7) Please fill in only the code number of the sector your company belongs after you consult the Appendix 1.

(8) Please fill in as Company main activity, in brief the main activity that your company is engaged in, as trading, production, imports, exports, services, etc.

(9) Brief description of the main activities, products, services.

(10) Contact Person responsible for the Chamber is the person that the chamber may contact for any matter and/or is the legal representative of the company to the Chamber.

(11) Please fill in the source of your information regarding the Chamber by marking with an X the equivalent box or write how you found out about us, or who recommended you the Chamber.

(12) Please mark with an X the equivalent box regarding the publication of the submitting data of your company according to the description. If you select your data to be published on our website, this will only include the company name, area and city, the Sector and the Description of the company activity as it is filled in the current form. By third parties, we mean a company/organization that is asking for specific cooperation with members of the Chamber and after a justified request. The list of members is protected under the Greek law and cannot be sold or provided. In case you choose the option of “do not authorize any publication of our data”, your company data will not be published in our website or be given to any other member or third party, unless there is a written authorization. Finally we would like to remind you that the benefits from the complete and correct completion of the above application are mutual. Equally important are all your observations or information you might need or provide us. Please do not hesitate to contact us in any case and particularly in case there is a change of your contact information.
